Objective of the Presentation

- 👉 **To create awareness of the newly established WSWG and Secretariat**
- 👉 **To get endorsement from the DPs and Government**
- 👉 **To initiate funding for the secretariat**

Background

➡ **The WSWG was established to create a platform with DPs and Government working in the WASH and WRM sectors;**

➡ **Objective of the WSWG is to jointly promote, support and coordinate sustainable and integrated development and management of water resources by bringing all actors together**

Specific Objectives of the WSWG

- a) To function as a knowledge hub for the entire water sector**
- b) To organise a forum for regular experience sharing, information exchange and mutually review implementation status of projects and programs**
- c) To jointly discuss, review, develop and propose policy and strategy agenda for the relevant (sub) sectors.**

(.....Objectives)

- d) To discuss and develop shared solutions and actions to address key implementation issues;**
- e) To discuss and follow-up the issues of sector wide coordination, awareness creation and initiatives in the sector;**
- f) To ensure formal links between the water sector and other relevant sectors in particular agriculture, health, environment, education, energy and finance.**

Purposes and Tasks

The Purposes of establishing the WSWG are:
