

National School WASH Strategic and implementation Guidelines Status Report

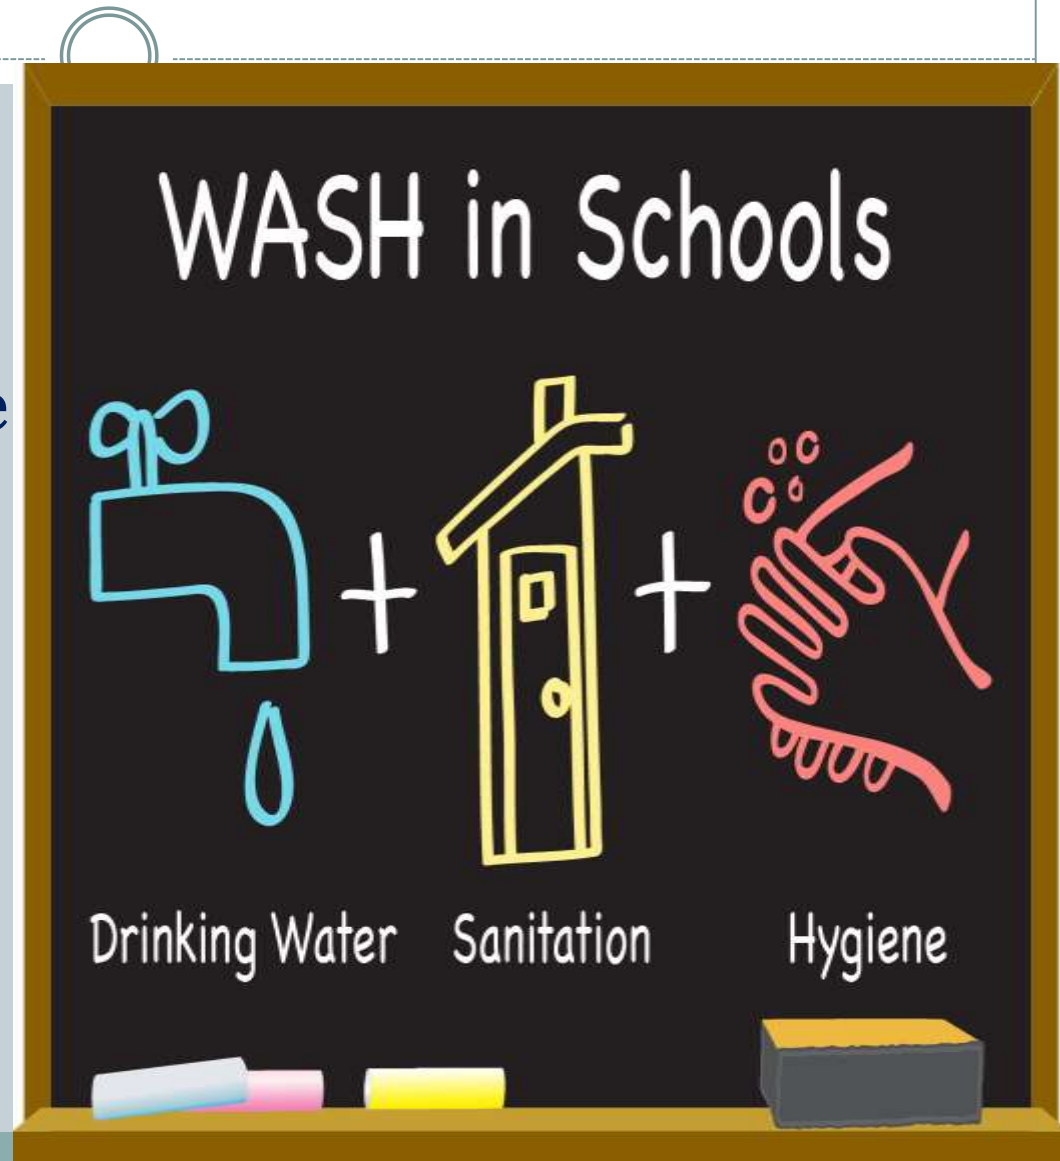

LEWAM ABEBE
NATIONAL WASH CONSULTANT

MARCH 2019
ADDIS ABABA

Presentation outline

- **Purpose and scope**
- **Status Report**

Purpose

- Developed based on the minimum conditions required for providing quality education in a **healthy and sanitary environment**, focusing on boys and girls attending school.
- Shall be used by **anyone who** implements the school WASH program in Ethiopia for both public and private schools and other partners engaged in SWASH activities

Scope

- Its contents are applicable for pre-primary, primary and secondary public and private schools regardless of geographic and livelihood situation (highland/ lowland / urban, rural, semi-urban/ agrarian, pastoralist, agro-pastoralist)

Status Report

- Both documents are endorsed and distributed to all regions
- Both documents are launched in the presence of governmental , NGO and different stakeholders
- Training of Trainers is given to regional education bureau WASH specialists.
- Cascading training is given by REB WASH Specialists to Zonal and Woreda education offices
- Translation of the guideline and strategy documents are on progress.

Status Report....

- SWASH Design and construction manual
- SWASH management manual

Thank You!
